

İLK İNSAAT

PAZARLAMA SANAYİ TİCARET A.Ş.

1995 yılında kuruluşunu gerçekleştiren İLK İNŞAAT A.Ş. sürekli çitasını yükselterek bu günlere gelmiştir. Çalışanların motivasyonu ve bilgi birikimi ile, gelişen teknolojinin takip edilmesi, firmamızı sektörde tercih edilen konuma getirmiştir.

Firmamız öncelikle, detay çözüm gerektiren özel villa ve rezidans tipi yapılar ile, kamu binası ve afet konutlarının yapımıyla ilerlemesini sürdürmiş olup sektörde saygın bir yer kazanmıştır. Şehir içi ve köy yolları yapımında da uygulama kalitesi ve çözüm önerileri ile çok kısa zamanda dikkat çeken firmalar arasına girmiştir.

Önemli tarihi eserlerimizin restorasyon proje ve uygulama çalışmalarıyla da bu alanda uzman kadrosuyla hizmet vermektedir.

Ayrıca, dekoratif aydınlatma sistemi olan, LED'li aydınlatma ihtiyacının, Türkiye'deki boşluğunu gören grubumuz bu sahaya da el atmış ve kısa zamanda bu alanda aranan öncü firmalardan birisi olmuştur.

Firmamız birçok kamu kuruluşunun (İller Bankası, Karayolları, İl Özel idareleri ve Belediyeler) aradığı ve iş yaptırdığı firmalardan biri haline gelmiş ve takdirle karşılanmıştır.

Ana felsefesi; aldığı işi en kısa zaman da ve en iyi kalite ile bitiren, hizmet verdiği kamu kurum ve kuruluşlarıyla uyum içerisinde hareket eden, seri ve az maliyetli çözümler üreten firmamız, bu zaman zarfında başarı grafiğini zirveye çıkarmıştır.

Tasarım ve uygulama projelerini birlikte yürüten, sürekli yenilikleri takip eden ve bu konuda çözümler üreterek, Kurumsal ve Bireysel Müşteri ihtiyaçlarının karşılanması için, sürekli çalışan uzman kadromuz, Mimar, Mühendis ve Aydınlatma Tasarım kadrosu ile, öncü projelere imza atmış ve atmaya devam edecektir.
